Request for Qualifications (RFQ) No. 21-01/02 for the establishment of a list of qualified consultants that would be available to provide contract services for the City as needed, for analytical, programming, telephone, telecommunication, or desktop services.

I am considering appointing the following individuals to serve on the Evaluation Committee on the above subject RFQ:

Neda Galvez, Assistant IT Director, City of Miami  
George Bracket, CIO, City of Hialeah  
Gladys Acosta, Telecommunications Manager, Information Technology  
James Sutter, Internal Auditor, City of Miami Beach  
Jill Weiss, Instructor, FIU Computer Department

I would appreciate your comments and/or suggestions by Thursday, July 8, 2004.

Thank you.
